

The Official Snow Camp Packing List

We are looking forward to meeting you this winter! To help you get ready for your weekend at camp, we've put together a packing list:

- | | |
|---|--|
| <input type="checkbox"/> Your Camper Registration Form | <input type="checkbox"/> Winter Coat and Snow Pants |
| <input type="checkbox"/> A Bible* | <input type="checkbox"/> Winter Boots, Hat and Mittens |
| <input type="checkbox"/> A Notebook and Pen (for Bible study) | <input type="checkbox"/> Toiletries |
| <input type="checkbox"/> A Pillow and Blankets/Sleeping Bag | <input type="checkbox"/> Clothes for a weekend |

* As a Christian summer camp, we will spend time each day studying the Bible. If you don't have a Bible of your own, don't worry. We have lots, and we'd love to share with you!

Now that you know what you should bring to snow camp, we also want to warn you about what you should leave at home. We want snow camp to be a safe and distraction-free environment for everyone, so please do not bring:

- Cell Phones
- Other Electronics (laptops, mp3's and iPods, iPads and other tablets)
Cameras are acceptable, but campers must be responsible for their own equipment
- Food and Candy
- Knives, and/or other Weapons

See you at Camp!
