

The Official New Life Camp Packing List

We are looking forward to meeting you this summer! To help you get ready for your week at camp, we've put together a little packing list for you:

- | | |
|---|--|
| <input type="checkbox"/> Your Camper Registration Form | <input type="checkbox"/> Bug Spray and/or Sunscreen |
| <input type="checkbox"/> A Bible* | <input type="checkbox"/> Running Shoes and Sandals |
| <input type="checkbox"/> A Pillow and Blankets/Sleeping Bag | <input type="checkbox"/> Towel and Swimsuit (1-piece only) |
| <input type="checkbox"/> Toiletries | <input type="checkbox"/> Clothes for a week |

* As a Christian summer camp, we will spend time each day studying the Bible. If you don't have a Bible of your own, don't worry. We have lots, and we'd love to share with you!

Now that you know what you should bring to summer camp, we also want to warn you about what you should leave at home.

What NOT to bring to Summer Camp:

- **Electronic Equipment (laptops, mp3's and iPods, iPads and other tablets)**
Cameras are acceptable, but campers must be responsible for their own equipment
- **Food and Candy (including chewing gum)***
*Something else you should know about is Tuck. Each day, each camper gets to enjoy snacks (like chips and chocolate) at the Tuck Shop. We will not be charging campers for these afternoon snacks, as we have in the past....so there is no need to bring money with you to camp. If you need to bring alternative snacks, bring them with you to camp on the day of registration in a box with your name on it, and leave it with the kitchen staff to take care of it for you.
- **Guns, Knives and/or other Weapons**

See you at Camp! **The NLC Staff**
